

# INOGEN ONE

## INOGEN ONE

Our family of accessories has been specifically designed to help you get the most out of your Inogen One.

### **Inogen One Carry Bag**

The Inogen One Carry Bag is a lightweight, comfortable and attractive way to carry your Inogen One. The soft shoulder strap adjusts easily for a custom fit. Your Inogen One fits snugly into the Carry Bag. It also comes with two exterior, zipper pockets for carrying personal items. Item #CA-102

### **Inogen One Cart and Carry Bag**

The Inogen One fits perfectly in this cart for added mobility. The telescoping handle is easy to use and makes the cart compact and easy to store for travel. Constructed of sturdy plastic and lightweight metal, the Inogen One Cart is the perfect travel companion for the Inogen One. Item #CA-100

### **Inogen One External Battery Charger**

Recharge your Inogen One Battery with the Inogen One External Battery Charger. Custom-made for Inogen One Batteries, it can charge a fully depleted battery in approximately 3 hours (ships with its own AC Power Supply).

Item #BA-103

### **Inogen One Lithium Ion Battery**

Lasting between 2-3 hours (depending on flow rate), the Inogen One Lithium Ion Battery is the perfect power source for trips to the store, seeing a movie, or a dinner out with friends. Having an extra battery on hand is a great way to make sure that you can get up and go whenever you want.

Item #BA-100

### **AC Power Supply**

Your Inogen One can only be connected to an electrical outlet using the Inogen One AC Power Supply. While other plugs may fit, they could damage your Inogen One. With a long, flexible cord, your Inogen One AC Power Supply will power the Inogen One and charge your battery while plugged into an electrical outlet. An extra power supply is useful for travel or to have in case you have multiple locations you frequent and don't want to take your one power supply with you.

Item #BA-101

### **Mobile Power Charger**

Hit the road with your Inogen One Mobile Power Charger. Great for use in your car, boat or RV, you can plug your Inogen One into a common cigarette lighter and get unlimited oxygen for your travel. No more worries about running out of oxygen on the road. When using the Mobile Power Charger, your battery will charge.

Item #BA-106
